Medical Waste Recovery

**Your Low
Cost
Provider**

We Service...

- Have your medical waste costs increased over the years?
- Do you know when your current contract ends?
- Have you ever checked competitive pricing?

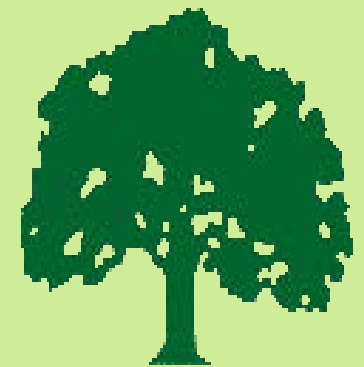

We'll work with your office manager to allow for the best savings in waste pick-up. In some cases we can buy out or help you end your current pick-up agreement for immediate savings. Why wait? Start saving today.

Dedicated to Cutting Your Office Costs...

MWR is committed to providing hassle-free medical waste (sharps) disposal services at an exceptionally low cost. We pride ourselves on being one of the best in the industry by offering flexible service arrangements, low cost contract options/savings, knowledgeable staff, and a dedication to reducing harmful effects on the environment.

Our customer base consists of varying types of physician offices, hospitals, surgery centers, veterinary clinics, and tattoo parlors. The cost savings per month provided by MWR ranges from 10 to 20 percent. Feel free to contact MWR today at: info@mwrmichigan.com, via our contact form, or call us. We can help you lower your monthly operating expenses.
